Activity

Hilkiah the priest discovered something great in the temple (2 Chron. 34:14-15). Without this special thing, King Josiah and all of his people would have lost their way, not knowing how to please God. See if you can discover the same important item Hilkiah did before God’s people become lost and don’t know where to turn.

Instructions: You will need someone to help you complete this activity. The goal is to fill in the blanks below with the correct words (answer at the bottom of the page) before the word at left is fully traced out. Have the player call out a letter. If they get it right, fill in the letter in the appropriate spot/spots below. If they miss it, trace a single dotted line for one of the letters to the left (the player gets thirteen misses in all).
